Al Zorah Marina 1 features more than 15 dining outlets and recreational facilities.

Al Zorah Development Company has opened Marina 1, a creekside project located in its eponymous mixed-use development in Ajman.

The company said in a statement that Marina 1 features more than 15 dining outlets and recreational facilities.

Al Zorah Marina 1, which is being operated by ART Marine, also offers berthing and rescue services for boats and yachts that are between eight and 40 meters.

Imad Dana, chief executive officer of Al Zorah Development Company, commented: “With the launch of Marina 1, Al Zorah will further transform into a thriving community, where our Golf Villas residents and guests can spend a relaxing getaway at the 5-star The Oberoi Beach Resort, enjoy golfing at the 18-hole Nicklaus Design championship golf course managed by Troon Golf, kayak through serene natural mangroves, or moor at the marina’s berthing facilities and experience diverse recreational offerings.
