

## **Solidere International unveiled “Al Zorah Golf Villas Masterplan” at Cityscape Global 2014**

September 23, 2014

**Al Zorah**, a joint venture between the Government of Ajman and Solidere International is introduced in **Cityscape Global 2014** which was held on 21-23 September, 2014 at Dubai Trade Center.

Solidere International, Master Developers of Al Zorah Project unveiled Masterplan for the lifestyle mega-development in Ajman.

Chiefs of the development company said that phase one of Al Zorah is currently progressing to deliver four marinas, two world-class beachfront hotels and resorts, golf course, clubhouse, golf view villas, serviced residential apartments, boardwalk, beach club and wellness centre.

Throwing more light on Al Zorah Golf Villas at Cityscape Global 2014, Development company said that our development offers three different villa types: The HERON, The DOVE and The LARK. Each model represents a overall variations in layout and size of Villa.

**The HERON**, largest villa type of Al Zorah Golf Villa community offers five sumptuous bedrooms. It has 692 square meters (7,449 sq. ft.) of living space over two levels and rooftop terrace. The balcony provides majestic views over the Golf course and mangroves.

Villa type two, the second largest villa called **The DOVE** have 608 square meters (6,544 sq. ft.) of living space over two levels and a rooftop terrace. It has five generous bedrooms within its layout, the balconies and terraces overlook the lake and Golf course.

**The LARK**, third villa type has living space 479 square meters (5,156 sq. ft.) over two levels and a rooftop terrace. The balconies and terraces showcase delightful views over the Golf course and beautifully landscaped areas.

Chairman of Al Zorah Development Company, **Sheikh Rashid bin Humaid Al Nouaimi** said: “Being one of the most ambitious developments in the UAE, Al Zorah presents unique opportunities for attractive investments in a refined coastal destination within Ajman’s inspiring natural setting.

CEO of Solidere International, **Nasser Chammaa** added: “Our vision for Al Zorah is inspired from its serene natural attributes. We have been waiting for this exciting moment to start offering our future tenants and investors the opportunity to experience Solidere International’s refined Places for Life.”
